

NETWORKING EVENT to ADVANCE NANOSAFETY in NORWAY

DRAFT AGENDA

- 09.00-09.30 Coffee and Registration
- 09:30-09.40 Welcome
NorNanoReg Project: *Dr. Lise Fjellsbø*
STAMI Director: *Dr. Pål Mollander*
- 09.40-09.50 Get to Know the Audience with Interactive Polling
Dr. Fern Wickson (GenØk Centre for Biosafety)
- 09:50-10:30 **International Keynote Speaker from NANoREG project:**
Dr. Adriele Prina Mello (Trinity College Dublin)
“Nanosafety: The interface between industry, authorities and safety researchers”
- 10:30-11:15 **National Keynote Speakers from NorNANoREG project:**
Dr. Andy Booth (SINTEF) + M.D. Vidar Skaug (STAMI)
“Nanosafety Research in Norway: Human and Environmental Safety”
- 11.15-11.30 Coffee
- 11.30-12.30 **Nanotechnology in a Norwegian Context: Stakeholder Perspectives**
Industry
Dr. Bernd Friede, ELKEM
Government Authorities
Astrid Lund Ramstad, Direktoratet for Arbeidstilsynet
Research Funders
Dr. ing. Aase Marie Hundere, Forskningsrådet
Consumers
Dr. Harald Throne-Holst, SIFO
- 12.30-13:30 Lunch
- 13:30-14.00 Break out session in stakeholder groups – *Identifying and prioritizing the pressing issues and needs for advancing safe and sustainable nano materials and technologies*
- 14.00-14.30 Plenary feedback – *Comparing needs and priorities across stakeholder groups*
- 14:30-15.00 Break out session in mixed groups – *Addressing identified questions/needs/risks, what can different stakeholders offer and what are the potential barriers/obstacles?*
- 15.00-15.30 Plenary feedback– *What can be done and where do obstacles remain?*

15:30-15.45 Coffee

15:45-16:30 Panel discussion & Plenary Debate – Advancing communication & collaboration across stakeholder groups for the safe development and use of nanomaterials in Norway

16:30-17:30 Networking Tapas
